

## ALTERNATE ROUTE FOR TRAILERS OVER 10'

---

PLEASE READ ALL OF THE DIRECTIONS!! It is very easy to get to the Farm if you will carefully follow these directions.

### Coming from Bulls Gap:

- Exit #23 off Interstate 81. On 11E, you should have the McDonald's on your LEFT. You will shortly pass "Yoder's Amish Market" on your left. Continue.
- Travel approximately 3 miles to Bulls Gap to the intersection of 11E and Highway 66. Turn RIGHT onto Highway 66.
- Drive approximately 5 miles from Bulls Gap intersection, turn RIGHT onto SPEEDWELL RD. (There is a large white sign on the right that says "Speedwell Baptist Church".
- (NOTE: once you start driving down Speedwell Rd., you will PASS a section of Beech Grove on your right -- do NOT turn there!!)
- After crossing the railroad tracks, go approximately one mile until you come to a "V". Turn left here. (This route is simply making a circle around to our Farm so continue LEFT!! You will be going around a very large blue barn facility on your left. )
- Continue left on this road until you come to a "T" where you will continue with your circle by making a LEFT which is the continuation of Beech Grove Rd. Remember ... you are simply circling around to come into the Farm from another direction that avoids the concrete train trestle.
- Go just over 1/2 mile to Mendin' Fences on the RIGHT side of the road.
- Turn RIGHT into the driveway and look for the sign that says ARENA. This will take you up a hill to the parking and stall area.
